

# PRODUCT INFORMATION

## STAY FRESH Liquid Malodor Counteractant

---

### DESCRIPTION

**Stay Fresh** liquid malodor counteractant eliminates odors leaving behind a fresh, pleasant scent. This product may be utilized on a variety of surfaces, including drapes, carpets, upholstery, waste receptacle interiors, toilets and urinals. This product is used as a heavy-duty counteractant on HVAC ducts, carpets and spaces.

### USE

**Stay Fresh** is for general use as an odor eliminator and counteractant. Stay Fresh combines the cost savings with all the conveniences of RTU. It counteracts the most pungent odors, will not harm fabrics, is effective as a RTU or concentrate, eliminates Cigarette and other smoke odors fast, may be atomized or applied directly to the odor source, and comes in an easy to use cartridge.

### DIRECTIONS

#### *General Cleaning & Degreasing –*

1. Fill Water to Level indicated for a 32 oz. work bottle. Do not overfill bottle, or cartridge will not empty.
2. Insert Cartridge into Bottle Neck.
3. Holding sprayer 6-12 inches from surface, spray soiled area. For vertical services, start wiping at bottom and work upwards.
4. Wipe away all soil with a paper towel, cloth or damp sponge.

#### *For Counteracting Airborne Odors –*

Utilizing a trigger sprayer, discharge into the air the appropriate amount of formula allowing 5-20 seconds for the fresh scent to counteract unwanted odors.

#### *For Fabric Treatment –*

Discharge appropriate amount of product to fabric, upholstery, curtains, etc., insuring that spray device is held approximately 10-15 inches away from applied surface. Apply product evenly to affected area.

*Guest Accommodations –* Apply proper amount of product approximately 5 inches above carpet level to entire perimeter of room or until odor is eliminated.

### DIRECTIONS

**ALWAYS READ LABEL BEFORE USING PRODUCT. KEEP OUT OF REACH OF CHILDREN.**

*Note: See Material Safety Data Sheet for Additional Specifications and First Aid Information.*
